Cash for Work Project

WRITTEN BY WINNIE TUMUSIIME.

Living Earth Uganda in partnership with UN CERF (Central Emergency Response Fund) and UNDP (United Nations Development Program) are implementing a project titled

"Emergency livelihood support project through cash for work activities in districts of Moyo and Arua, West Nile Sub-region."

The project commenced in August 2018 and is still ongoing until December 2018.

This edition of Emergency livelihood newsletter presents Cash for Work activities that are ongoing, tool distribution to project beneficiaries i.e. refugees and host communities, stakeholders, all in event pictorial as well as highlights from the "International Day of Peace".

UNDP Cash for Work Kicks off!

UNDP Cash for Work Project kicks off in Moyo district - Palorinya refugee settlement (Zone 3) and Itula sub-county and in Arua district - Imvepi refugee settlement (Zone 2 and 3) and Odupi sub-county.

Launched in August 2018, the program supports refugees and host communities by providing temporary employment opportunities. It is implemented in partnership with Living Earth Uganda with support from UNDP and United Nations CERF.

The project involves both refugees and locals from the host communities; this is part of UNDP’s efforts to encourage good relationships between the two beneficiaries. The funding for the project comes from the UN Central Emergency Response Fund, and UNDP.

The cash for work activities officially started in October 2018.

Some of the benefits of Cash-for-Work activities include:

- The cleared roads will allow easier access for humanitarian aid to reach isolated communities.
- The Cash for Work employees selected in cooperation with local authorities and community leaders will bring income to 2,250 households.
- The payments to workers will inject needed cash into the local economy.
